

GO everywhere else in town and have 'em show you suits for Young Men. Then come here and we'll slip a College Brand Suit on you. You'll buy just about ten times more quickly than if you hadn't seen how utterly un-young mannish the other togs are. No other garments in the whole living world made only for men of your age and style ideals. Extreme in all ways but price.

Will Put in a Claim For Next Year's
merchandise Travelers at the Meeting to
Annual Conventions of United Com-
Be Held at Roanoke.

The annual convention of the grand
lodge, United Commercial Travelers
will be held May 20 and 21, at Roa-
noke, Va. The meeting will be the
largest in the history of the organiza-
tion on account of the fact that the
state of Maryland has in the past year
come under the jurisdiction of this
grand lodge, which formerly consist-
ed of the three states of West Vir-
ginia, Virginia and Kentucky, but
which now comprises four states.

By the rule of rotation, followed by
the grand lodge, this state is entitled
to the convention next year, although
it is possible that Maryland will put
in a claim, but it is thought that no
account of the fact that Baltimore is
not in shape for the handling a con-
vention that state will make no claims
this year. Clarksburg, Charleston and
Parkersburg will be the West Virginia
cities claiming the convention for next
year.

The delegates from Clarksburg coun-
cil No. 28 will use every effort to se-
cure the meeting for Clarksburg.

THE NATIONAL STOCK COMPANY.

The National Stock Company delig-
ed a fair sized audience at the opera
house last night, the weather being the
only reason why the theatre was not
full to standing room, as the company
is one of rare merit and ability. All
of the players are well up in their pro-
fession and all of the specialty artists
are pleasing entertainers and applause
winners. "Little Lord Fauntleroy" was
the matinee bill this afternoon and to-
night that funny play "Peck's Bad Boy"
will be given with a good intermingling
of specialties. Mannington Record of
April 28.

TWO DRUNKS JAILED.

Two remorseful looking prisoners were
yanked out of the Bar Cage in the
Chamber of Horrors at police headquar-
ters Friday morning and escorted into
the presence of Mayor Patrick H.
Shields. The two had benumbed their
intellects with large doses of bad booze
taken at frequent intervals and pre-
ceding afternoon and evening. After
giving the two unfortunates a lecture
the mayor applied a fine of three dollars
and costs in each case. The men were
unable to pay their fines and they were
sent to jail for three days each.

TO WORLD'S FAIR BY CANOE.

George Kane, of Superior, Wis., head-
of the Independent Order of Red Men
for his State, is enroute to St. Louis and
the World's Fair in a birch bark canoe.
Accompanied by another Red Man, he is
making the voyage down the St. Croix
and Mississippi rivers by this primitive
mode of transportation. The voyagers
visit the lodges of their order on the
way and are finding the trip thorowly
enjoyable.

CHURCHES CLOSE AT SALEM OWING TO SMALL POX

Owing to the small pox situation at
Salem the town authorities requested
the churches to discontinue services
for a while. All the churches have
complied with the request, except the
Seventh Day Baptists.

NEW OIL COMPANY.

Composed of Salem Citizens Has Been
Organized and Will Operate.

The Inevitable Oil and Gas Company
is a new concern which has been or-
ganized in Salem during the past few
days. A charter has been applied for,
and the following well known men of
that town are the charter members:
G. W. F. Randolph, S. E. Strother, R.
A. Jones, O. C. Will and M. H. Davis.

The company is capitalized at \$25,000
and 100 shares are now on the market
at their par value of \$100 each.

The company has secured a lease upon

N. Wilcox farms, through a contract
with Thomas Gartlan, of Parkersburg.
Work will be commenced on the first
well of the new company in a few days.

GOING TO THE FAIR.

West bound train No. 3, the New
York and St. Louis express, was un-
usually heavy Friday morning on ac-
count of traffic to the St. Louis World's
Fair. The train consisted of ten cars
all together. Two cars of foreigners
were in the train. They were enroute
to the exposition grounds where they
will work on the grounds and buildings.

TRADES COUNCIL MEETING.

The Trades and Labor Council will
meet to-night in regular session in the
Reed hall at the usual hour, at eight
o'clock. An important matter was tak-
en up for consideration at the last meet-
ing of the council and this will likely
be disposed of at the meeting to-night.
In consequence of this and other mat-
ters the attendance will likely be large
and the interest unusual.

women's fabric gloves

Warm weather is sure to come in earn-
est shortly, and with it a demand for cooler
gloves. However, even before it does,
there'll be plenty of days when kid gloves
will be uncomfortable, so this word that the
new Fabac Gloves are here is none too soon.

Our showing contains both silk and
Lisle gloves of a number of worthy makes,
among which are Lord and Taylor of New
York.

Some of the Lisle gloves are such
clever imitations of suede kid that a few
feet away you'd think they were kid.

Another feature in the Silk Gloves is
the double tip fingers, assuring longer wear.

Prices:
Silk and Lisle Gloves, short lengths, in black, white
mode, gray with self or contrasting stitching, at 50c,
75c and \$1.00.

summe hosiery and underwear

As important in the summer outfit as
the new suit, new gloves or new neck fix-

changes in underwear, but newness is
apparent among the hosiery.

You'll find not only that your store
shows a larger variety than is to be seen
elsewhere, but also that our prices are
lower for similar qualities.

Stylish White Shirt Waists for Women

In fit, style, or quality, no maker of Shirt Waists that we know of--and we've examined every worthy
make--produces anything that equals the "Geisha."

Women who once make the acquaintance of this famous make of Shirt Waists are never content with any
other, and they come here ever afterwards for their supplies, as the selling of "Geisha" Waists in Clarksburg
(and this section of the State) is confined to us. This accounts for the immense Shirt Waist business we're
doing.

The collection of waists, which we've assembled for spring and summer is not only the broadest, but the
styles are even more charming than ever before, and then, best of all, never was there such a host of styles to
choose from or better values offered at the markings.

White Irish Linen Waists, tailor made and fancy drawn work effects, \$2.45, \$2.95, \$3.45.

White Lawn Waists, plain and elaborately lace, trimmed, 50c, 65c, 75c, 85c, \$1.00, \$1.50, \$1.85, \$2.00 and
up to \$5.00.

Colored Waists of cotton voile, silk chambray and linen, tailored styles, \$1.50, \$2.00 and \$2.50.

KNOX SELLS RESIDENCE TO GEORGE M. WICKS

John M. Knox has sold his residence
property on Sycamore street, to George
M. Wicks. The consideration was in
the neighborhood of \$5,000. Mr. Knox
intends to erect a handsome residence
on Maple avenue, where he owns a fine
lot. He will occupy the residence sold
until the new house is finished, although
possession was given to Mr. Wicks im-
mediately. He remains there as a
renter.

One Minute Cough Cure For Coughs, Colds and Croup.

For Weak, Languid People.

Weak, sickly people often remark "If
I could only get something that would
nourish me and give me strength," they
do not know why, but the food they
eat is of no benefit to them, they gain
no flesh and feel no stronger. The
fact is the stomach is too weak to per-
form its work, and the little appetite
they once had is gone. The blood be-
comes more thin and watery, bringing
on faint sick spells with loss of mem-
ory and ambition. There is a remedy
for all this that acts in the right way.
It is called Dr. Gunn's Blood and Nerve
Tonic, and is sold by all druggists for
75c per box, of 3 boxes for \$2. It
turns the food you eat into rich, red
blood, making flesh and strength, creat-
ing an appetite because the system de-
mands sustenance. Sold by Stone &
Mercer.
